Sir:

**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

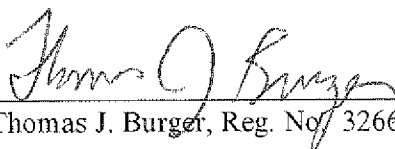

Applicant respectfully submits this Supplemental Information Disclosure Statement to cite references that became known to applicant as a result of a Decision to Grant from the Russian Patent Office, related to the prosecution of a corresponding Russian patent application. This Decision to Grant by the Russian Patent Office, dated March 27, 2009, cites five references, namely three U.S. patents, Great Britain Patent 1383705A; and SU Patent 304186A.

All three U.S. references are already of record. The next reference, GB '705, is listed on the accompanying Form PTO/SB/08a. Applicant has also listed on the Form the English language translation of the Russian Decision to Grant. Copies of the GB patent and this Russian Decision to Grant are enclosed. As for SU 304186A, it is also listed on the

accompanying form. No English translation is within the possession, custody, or control of applicant, nor readily available to applicant. Thus, applicant supplies this concise explanation of its relevance, as presently understood: the cited SU '186 reference was cited by the Russian Patent Office in a Decision to Grant the corresponding Russian patent, but the Russian Patent Office did not consider it to negate patentability.

Applicant respectfully requests that these references be considered and made of record in this file. Applicant respectfully asserts that a \$180 fee is being paid via credit card. If any additional fee is necessary to complete this communication, the Commissioner should consider this to be a request for such and should charge any necessary fees to Deposit Account No. 23-3000.

Respectfully submitted,  
WOOD, HERRON & EVANS, L.L.P.
